

MANUEL ESCALANTE APPOINTED CHIEF TECHNOLOGY OFFICER OF INDRA GROUP

Madrid, February 27, 2025. – Manuel Escalante has been appointed Chief Technology Officer (CTO) and member of the Indra Group Management Committee, replacing Miguel Ángel Morell.

Manuel Escalante holds a degree in Telecommunications Engineering from the Polytechnic University of Madrid and has more than 25 years' professional experience in the aerospace and defence sector.

At Indra Group, he held the positions of Managing Director of Defence and Security and member of the Indra Management Committee, as well as Director of Cybersecurity and Cyber Defence and member of the Minsait Management Committee.

He was previously Director of Business Development and member of the Management Committee of S21Sec Thales; General Manager of the National Cybersecurity Institute (Incibe); and Director of Public Policy and member of the Management Committee of the Public Business Entity Red.es.

Indra Group thanks Miguel Ángel for his work and commitment to the company.

About Indra Group

Indra Group (www.indracompany.com) is a holding company that promotes technological progress. It includes Indra, one of the main global defense, air traffic and space companies; and Minsait, leading digital transformation and information technologies in Spain and Latin America. Indra Group promotes a safer and more connected future through innovative solutions, trusted relationships, and the best talent. Sustainability is part of its strategy and culture, to respond to present and future social and environmental challenges. At the end of the financial year 2024, Indra Group had revenues of 4,843 million euros, local presence in 49 countries and commercial operations in more than 140 countries.
